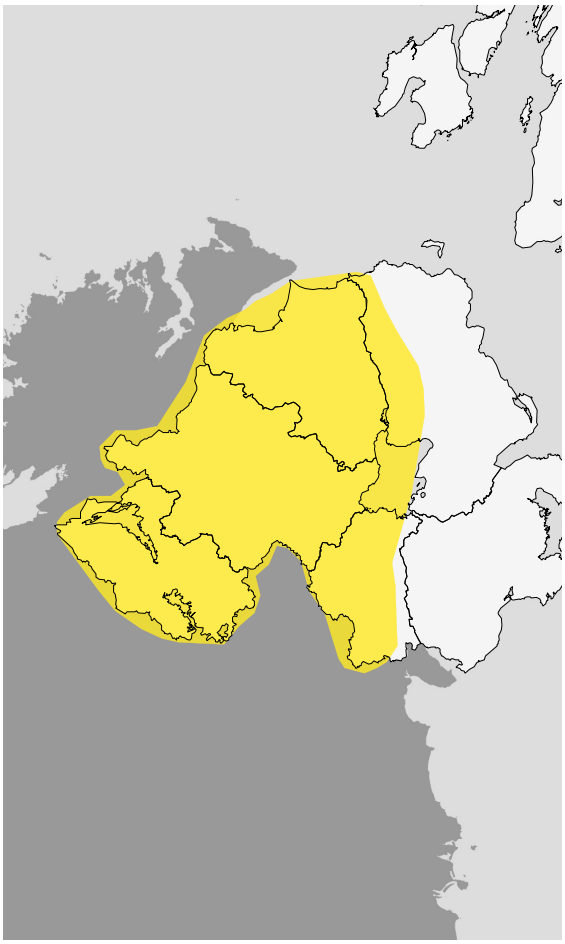
Yellow warning
Thunderstorm

Between
12:00 Sun 18 Jun 2023 and
21:00 Sun 18 Jun 2023



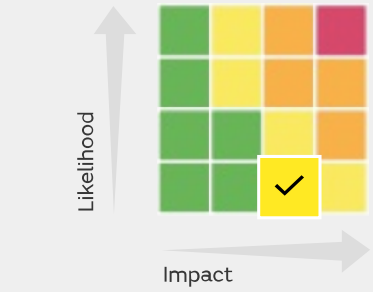
Some places staying dry, but scattered thunderstorms may cause flooding and disruption on Sunday afternoon and evening.

What to expect

- Spray and sudden flooding could lead to difficult driving conditions and some temporary road closures
- Where flooding or lightning strikes occur, there is a chance of delays and some cancellations to train and bus services
- There is a small chance that homes and businesses could be flooded quickly, with damage to some buildings from floodwater, lightning strikes, hail or strong winds
- There is a slight chance that power cuts could occur, or that other services to some homes and businesses could be lost

Further details

Showers and thunderstorms are expected to develop during Sunday afternoon across parts of Northern Ireland. While some places miss these, a few spots may see 30 mm in around an hour and perhaps 50 mm in 2-3 hours. Additionally, some thunderstorms may produce frequent lightning and large hail.



Very low likelihood of medium impacts
